

LICENSED PSYCHOTHERAPY (Mental/Behavioral Health Counseling) In DICKINSON COUNTY Area [REVISED 2JUL2024]

IMPORTANT! Always call the number on the back of your health insurance card & ask key questions:

- “WHICH LICENSED MENTAL HEALTH PROVIDERS NEAR ME ARE COVERED BY MY PLAN?
- “WHAT IS MY: MENTAL HEALTH DEDUCTIBLE? • MY CO-PAY per SESSION? (Some call copays “co-insurance” to make your expense sound like a ‘benefit’)
- COVID-19 MANY PROVIDERS MIGHT ONLY OFFER TELEHEALTH - call to find out

HINTS: Find a therapist/provider “IN NETWORK” for your insurance, which could save you a great deal of money.

DEDUCTIBLES must be met (paid out-of-pocket by YOU) before your insurance begins paying for any services usually. This might be \$300 or more than \$10,000 each year.

COPAYS are your responsibility each office visit, after you’ve met your deductible. Most copays are \$20-\$50 or more per session, but ASK your insurance.

“PSYCHIATRISTS” are medical doctors who primarily specialize in prescribing psychiatric medication (very few doing ongoing psychotherapy/counseling sessions, with few available).

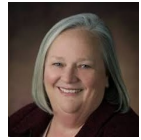

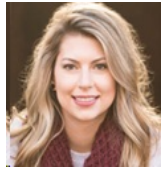

COST AVERAGE: Average psychotherapy/counseling session is 45-55 minutes and ranges approximately \$85 to \$150/visit in our area as of 2022.
