You have the right to know names & qualifications of staff treating you and to discuss treatment progress, goals, view records (or receive photocopies for standard fee). I understand my treatment maybe be terminated at any time for non-compliance, conflict of interest, or professional discretion, at any time without advanced notice. I understand that staff availability and emergency services are limited, and I'm aware **emergency** resources include 911/law enforcement, hospital Emergency departments, & community mental health. I agree to pay for services received, including any services not covered by health insurance.

Financial Agreement *(Please READ CAREFULLY)*

I agree to be financially responsible for all treatment costs not covered by insurance. I agree to give at least ***24 hour notice*** if I can not attend a scheduled appointment, and agree to the following (*rates are subject to change & some differ according to network contracts). If I refuse or fail to honor these agreements, I authorize this agency to release my account, demographic and billing information to a* ***collection service****, and agree to cover any related collection fees (40-50% of balance is typically charged; additional small claims court fees may also be assessed), & understand my treatment/services may be* ***terminated****.*

This is your responsibility, as health insurances do not cover missed appointments. Your time is just as valuable: If we late cancel or forget your appointment, we'll compensate you the same. *(Does not apply to Medicaid patients per state law requiring treatment is termination instead)*

Other rates may apply to Telephone Consultation, Requested Reports, Email, written Correspondence or other services.
